Can you help? I am looking for knitting specialists, someone or people willing to show others old or young a new talent or maybe just be part of a group and knit together? If your interested in becoming a specialist regardless of knitting level please do come and see me.

Overall our coffee shop is doing very well, receiving some lovely feedback and many visitors over the first term, raising £215.00 for Glinton Church so far.

I do hope to see you soon. *Krissi x*
